"Famous for our hamburgers since 1960"

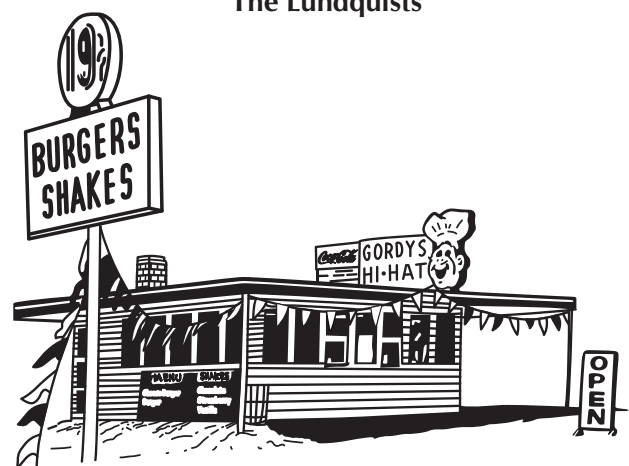

Gordy's Hi-Hat was opened in 1960 by Gordy and Marilyn Lundquist and is still independently owned and operated by the Lundquist's today. For 51 years we've been doing it the old-fashioned way with our fresh hand-pattied hamburgers, hand-battered Alaskan fish, homemade onion rings, and fresh blended shakes and malts.

In 2010, Thanks to our great customers, we we're selected and featured on The Food Network Diners, Drive-Ins and Dives TV show. Guy Fieri and his whole DD&D Crew were here in May for two full days of filming and we made our television debut in July.

We are very proud of our DD&D Show, but even more proud to be serving you the GREAT FRESH FOOD you expect with FAST FRIENDLY SERVICE for our 51st Year.

Thank you for your patronage.
