"Famous for our hamburgers since 1960"

Gordy's Hi-Hat was opened in 1960 by Gordy & Marilyn Lundquist and is still owned and operated by the Lundquist Family today. For 55 years we've been doing things the old fashioned way with our fresh hand pattied hamburgers, hand-battered Alaskan fish, homemade onion rings, & fresh blended shakes & malts.

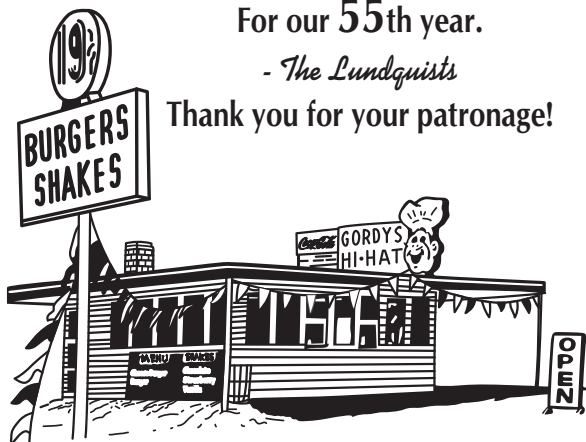

A few years ago,
Thanks to Great Customers,
we were selected & featured on Diners, Drive-ins,
& Dives with Guy Fieri & his whole DDD crew. We
are very proud of our Food Network appearance,
but ever more proud to be serving our
Great Northland Customers & Travelers.

For our 55th year.

- The Lundquists

Thank you for your patronage!
